Installing and Registering

This guide will help you install and register Exemplify on the Windows or Mac device you plan to use to take your exams.

1. Log in to examsoft.com/stcl using your assigned ID (G#) & password (DOB in 6-digit format). These credentials can be found in your welcome email.

A login form titled "Exam Takers". It contains fields for "Username: ?" and "Password:", each with a corresponding input box. To the right of the password box is a "Login" button. Below the username field is a "Remember Me" checkbox. Below the password field is a link "Lost Username or Password?". At the bottom are three buttons: "Videos" (with a play icon), "Support" (with a speech bubble icon), and "Info" (with an information icon).

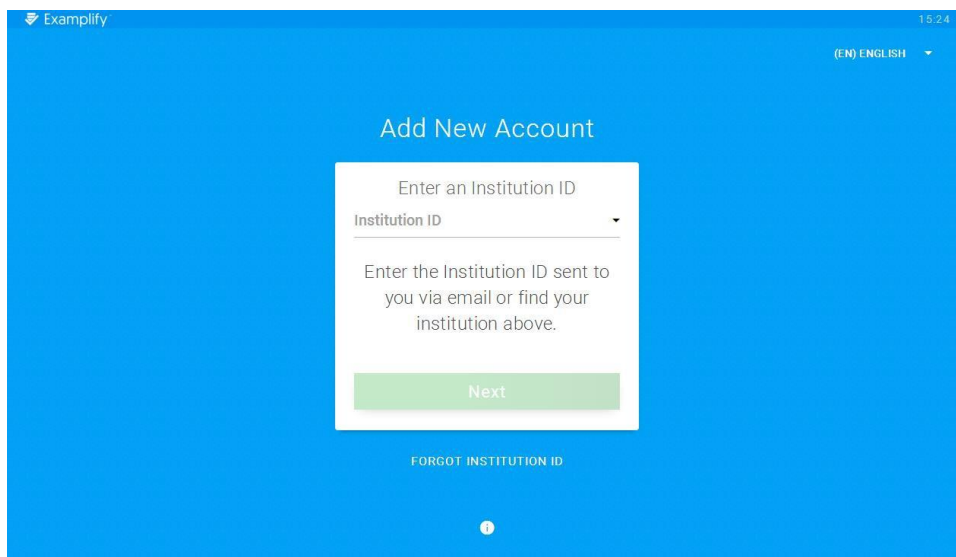

2. Once you log in to your account

- Review Minimum System Requirements
- Click **Download**. If you receive a message that Windows protected your computer, you will need to expand the text by selecting "More Info", and run the executable by selecting "Run Anyway".
- Setup SMS/Text notifications as desired

3. **Run** the installer file. Once the installation is finished, you will be able to launch the application from your Desktop or App dock.

4. Launch the application. **You must be connected to the internet to register your copy of Exemplify and/or download exams.**

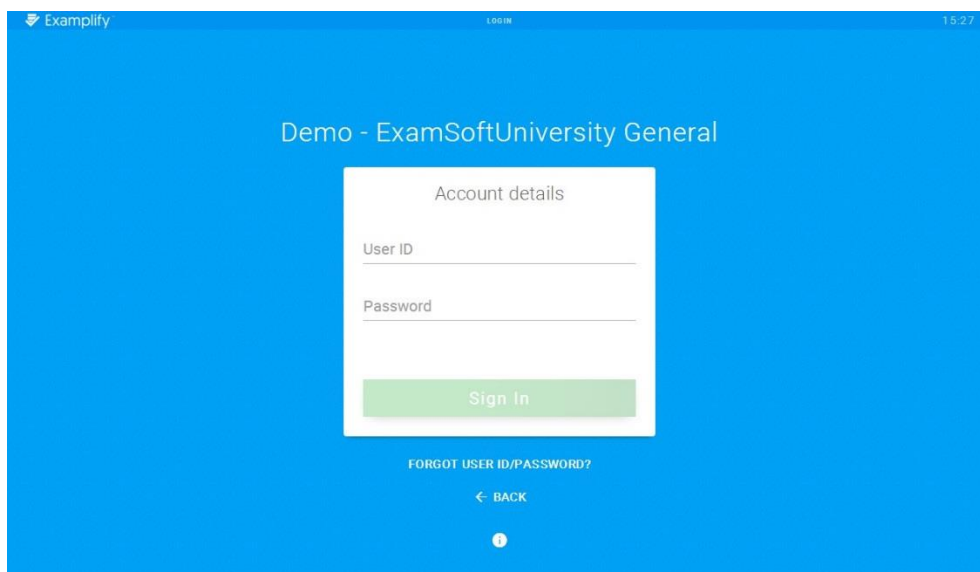

5. Enter your **Institution ID: STCL**

A screenshot of the Exemplify application interface. The background is blue. At the top left is the "Exemplify" logo, and at the top right is the language setting "(EN) ENGLISH" with a dropdown arrow. The main heading is "Add New Account". Below this is a white box containing the text "Enter an Institution ID" and a dropdown menu labeled "Institution ID". Below the dropdown is the text "Enter the Institution ID sent to you via email or find your institution above." and a green "Next" button. At the bottom of the white box is a link "FORGOT INSTITUTION ID". A small "1" in a circle is at the bottom center of the blue background.

How to Navigate Through Questions within an Exam:

- Most STCL exams will only have one question, and you will type 1. before entering your response to question number 1, type 2. before typing your response to question 2 and so on.

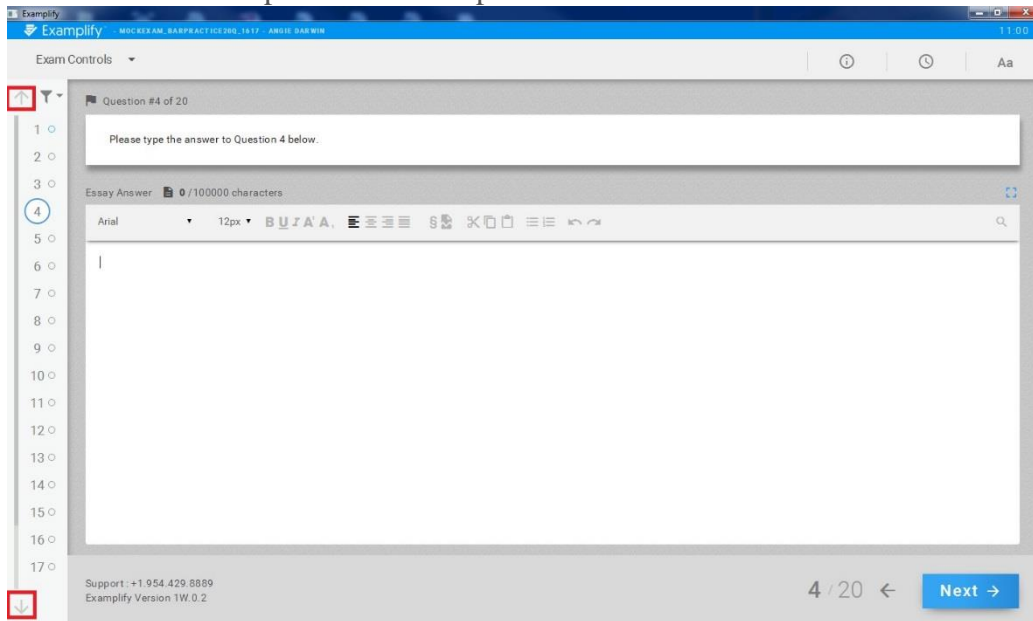

- If your exam has multiple questions, you can toggle (or switch) between questions using the the **Next** button, to proceed to the next question, or selecting the <-- (**back arrow**), to navigate to the previous question.

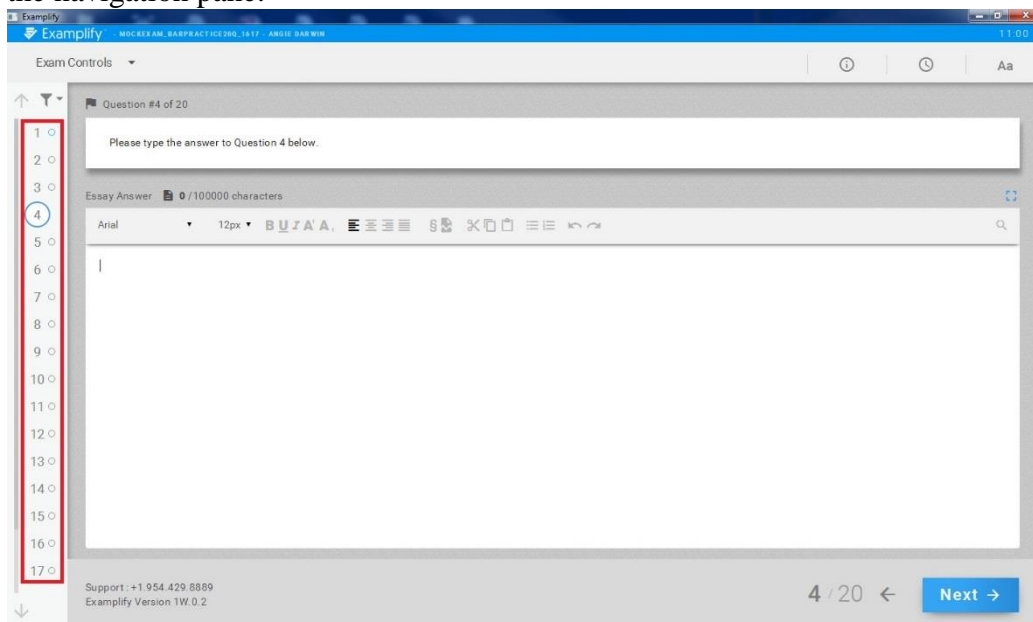

Exemplify Instructions

- You can also navigate through questions by selecting the down arrow in the bottom left hand corner or the up arrow in the top left hand corner of the screen.

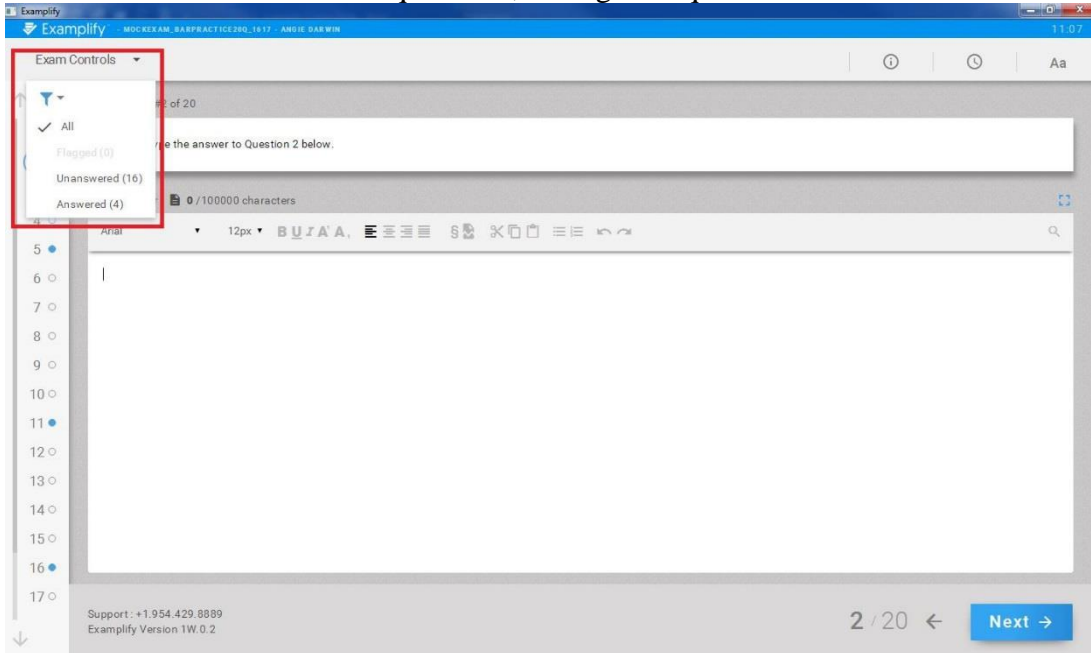

- You can simply navigate through questions by just selecting the question number within the navigation pane.

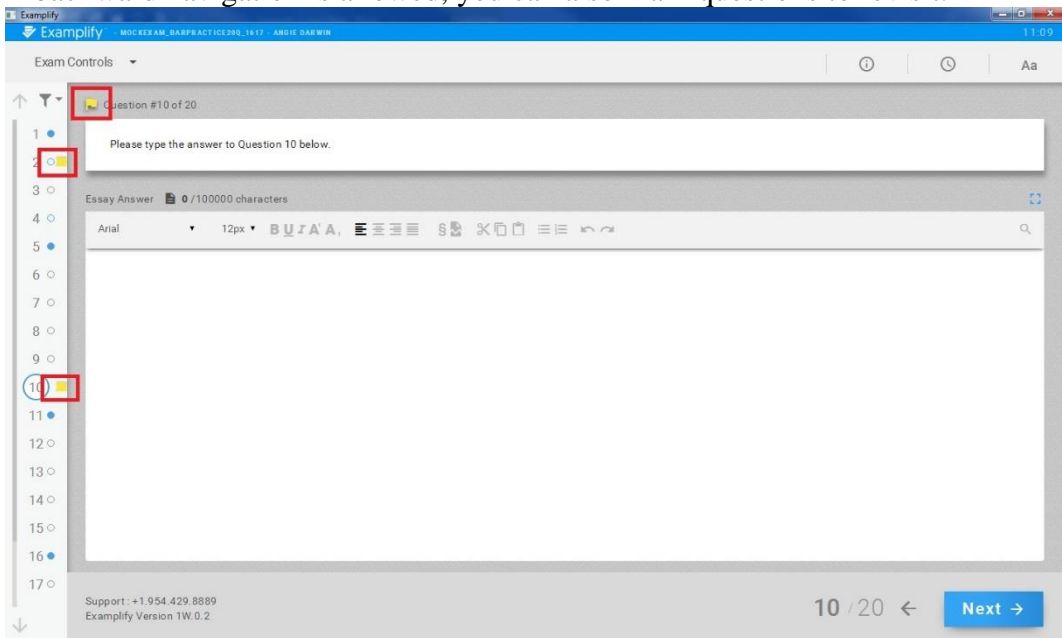

Exemplify Instructions

- You can view all unanswered questions, through the question filters feature.

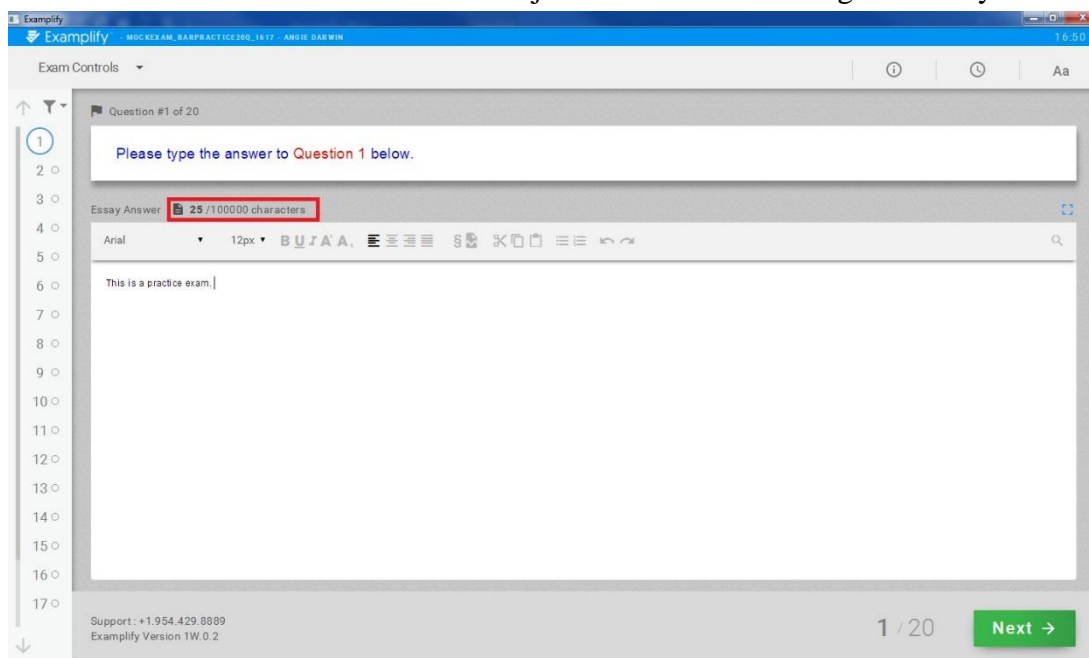

- If backward navigation is allowed, you can also mark questions to revisit.
