

Financial Aid Required Questions

The Financial Aid Office has eliminated the Continuing Student Application for Financial Aid. We have replaced it with a 4 question survey which is located in your Stanley portal. The answers to the 4 questions will enable the Financial Aid Office to determine your financial aid package for summer 2018, fall 2018 and spring 2019. Please follow these steps to access the survey:

- Admissions & Aid
- Financial Aid Information – click on ‘Financial Aid’
- There are 3 tabs at the top – select ‘Student and Financial Aid’
- Financial Aid Required Questions
- 2018-19 Packaging Questions
 - there are 3 multiple choice questions to answer
 - the last question is a fill-in-the-blank

Select ‘Survey Complete’
