- The seminar component and the work performed at your placement must be undertaken in the same semester for which you are enrolled. Any exceptions must receive prior written approval from Dean Dennis.
- Have you ever had a clinical or externship placement before? Yes___ No___ . List: _____
Be aware that you may have an aggregate maximum of nine credit hours in Clinics and Externships.
- Summer registrants are charged an hourly tuition rate for this course. Spring and Fall registrants, check with Accounting to see how this affects your tuition.
- All new placements must be approved by Dean Dennis prior to registration. New placements are those which have not previously hosted an STCL intern.
- You may NOT receive compensation for your externship work and may NOT receive credit for work performed at a profit-making entity (law firm, corporation, etc.). See Dean Dennis for alternatives.
- For each credit hour, you are required to work 50 hours at your externship placement.
- Your externship work may begin one week prior to the beginning of the semester for which you are enrolled.
- In order to receive credit, student journals and time sheets must be filed weekly, contemporaneously with your work. **NO** credit will be given for work done in a prior semester without prior written approval from Dean Dennis.
- Students must work a minimum of 10 weeks at their externship placement during the fall and spring semesters. During the summer semester, students must work a minimum of 6 weeks at their placement.
- Additional requirements will be discussed at that **first** seminar meeting of the semester. **Attendance is mandatory.** No Absences are allowed.
 - I agree to abide by these rules and understand that the information I provide will be verified by the Registrar before classes begin, and that if I do not qualify, I will be dropped and my place offered to an eligible student.
 - I confirm that I have researched the mission, policies and procedures of my placement and understand what will be required of me.
