

Essay Questions

Here we have the Exemplify word processor screen. This is a standard word processor. The question and any instructions will be at the top of the screen. Below the question will be the word processor itself where you will type your answer.

II: ESSAY
Suggested Time: 20 minutes
(Limit your answer to no more than 1000 TYPED CHARACTERS, including spaces. I will stop reading once these limits are reached.

Why does the ocean appear blue? Is it because it reflects the color of the sky?

Essay Answer  0 / 1000 characters

Arial 12pt **B** U *I* ^{x²} _{x₂}           

The word processor is pretty standard. Notice the location of the character count and the formatting toolbar.

Character count Formatting toolbar

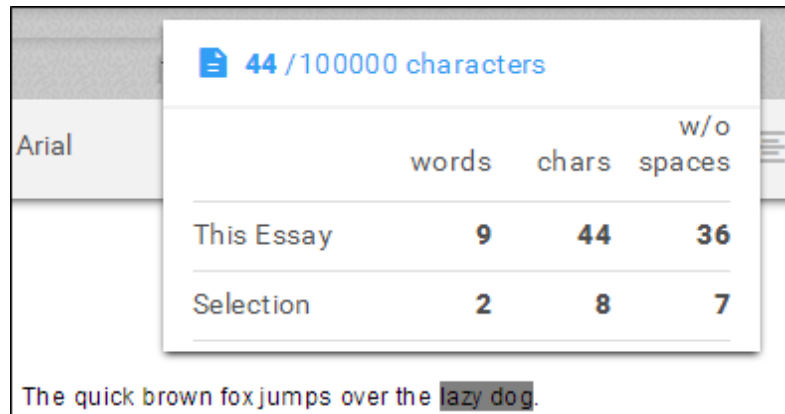

Essay Answer  0 / 1000 characters

Arial 12pt **B** U *I* ^{x²} _{x₂}           

The character count will tell you how many characters you have used in this essay.

If you click on the little paper icon, it will give you more details about the number of characters used.

If you have an exam where the professor wants a word limit or character count without spaces, this is where you get it.

44 / 100000 characters

	words	chars	w/o spaces
This Essay	9	44	36
Selection	2	8	7

The quick brown fox jumps over the lazy dog.
