About the game Every now and then comes a time when a particular game in the arcade genre tends to shake the world as it captures a lot of attention in a short amount of time. One of these games that has caught the attention of players is Subway Surfers mod apk and mod ios. It has created such an impact on the genre of arcade games that has led to the number of downloads of this game has surpassed a whopping 1 billion brands on the Google Play Store. Yes! 1 billion! This is a number to imagine even if it's just a game, right? However, it was labeled as the first game to reach this important milestone. Classified as an action-adventure and arcade-style game, Subway Surfers mod, it's still, a simple endless running game that managed to catch players' eyes. The game was co-developed by Kiloo, SYBO studio, a private company based in Denmark, and was launched in 2012. The graphics are pretty impressive for this type of game and so the game tends to attract attention – just because of its passing time experience. However, the game is addictive and the huge number of downloads and uses is evidence. The game is available on platforms for iOS, Android, Kindle and Windows phones. More than an eye-catching game for young people, but the never disappoints anyone who is in the genre of arcade games and just wants to pass the time. Subway Surfers mod apk, as stated in the above texts, is a simple endless running game in which the protagonist is a boy and then is followed by a grumpy policeman and his dog. The game has since just been trying to score as many coins and travel as far as possible before the protagonist is shot or captured by the policeman. Well, if you like Subway Surfers, then you will definitely love our Temple Run 2 MOD APK/iOS with unlimited gems and unlimited coins. Download Subway Surfers MOD iOS Download Subway Surfers MOD iOS A young delinquent or thug, as it is defined in Europe for young offenders, is on the run after being noticed by this grumpy cop and his dog who tend to leave no trace without catching him. In addition to adding vibrancy to his run, or in simple terms, parkour, the protagonist can keep up with his skateboarding skills as he makes his way through stations, on the tracks, along tunnels and high with a jetpack. The theme of the game is nothing short of a world tour. This subway surfers world tour has had its visits to 79 popular cities around the world such as Rio-de-Janerio, New York, Moscow, Tokyo, Miami, Paris, Beijing, Sydney, Miami, Rome, etc. Gameplay The gameplay is pretty simple and basic. The new user or returning player tends to take on the role of teenage hooligan getting his hands dirty with graffiti on subway cars. The theme of the game is taken as inspiration from the events of this type of graffiti in Denmark that tend to happen quite often there. Anyway, for the catchy part, a police inspector and his dog give a chase to the protagonist character until the thug makes a mistake to bump trains, walls, etc. and is eventually caught - yes, making the law triumph! During the running phase, the character is faced with obstacles in the form of trains and ramps. So, the parkour phase is all in this game that you can ask for, whether it slips through obstacles, jumps through ramps, jumps on trains, etc. Sounds crazy, doesn't it? Well, it is and should be, otherwise where's the fun in the games? To make endless running more intriguing, coins, keys, and other special items slip in as the player tends to pick them up so as to unlock other things like characters, skateboards, etc. So, it's like collecting coins and other special items as much as possible every time you play while running at the same time and avoid clashing. To make things even more interesting, special power boosters in the form of coin magnets, jetpacks, super sneakers, etc. come forward with the intention of improving scores. Oh, and to let you know, simulation tends to accelerate with the distance traveled. Trains now tend to approach a faster pace at first, making the progress of the race so difficult. You can download the original game from Google Play, Subway Surfers game features game, to put straight, is pretty simple in terms of of and gameplay. However, it is not short of amazing features. The game looks pretty attractive due to its vivid and colorful HD graphics. In addition to simple parkour, the game offers players an option of hover-boards, jetpacks and super sneakers. Popular games like this never fails to have the addition of new characters, skateboards and other accessories. This is no exception, too. The game features many other characters that players can choose as their protagonist. With the in-game currency in the form of coins, players can unlock their favorite characters and skateboards. What if we get caught? Start from the beginning? Well, yes, if you're short of keys that tend to come on your way as you continue your parkour run, the game presents its players with a weekly hunting event where players end up with special rewards. The game offers a lightning-fast aerobic experience. With its world tour theme, the game offers a new parkour running experience in popular cities around the world. Overall, with its huge popularity, the game, intended to pass the time with its endless running phenomenon, also intends to offer a challenging platform in terms of coin collection and distance of the highest strip. Being a Freemium game, it is from now on the worthy game in which we can give it the coveted perfect purchase score. Now, since the game is also live on PCs now, go browse and hit the tracks! Subway Surfers Mod Is Full Featured Mod Subway Surfers is a fun and addictive game that requires little user control. About Subway Surfers: Subway surfer was launched in Denmark from kilo and SYBO games for Android, iOS and also available for window phone. The game is based on a very interesting concept of a world tour that contains different countries and the graphics of the game are also very impressive. The game is very simple where you have to run away from the police inspector and the dog. To protect yourself, you can tap, down, left and right. Try to avoid a collision from the objects otherwise, you will fall and be captured by the police. Once hit with anything the police will grab you and defeat you in the game. The player's gain depends on various things like coins, score multipliers, sneakers, gift obstacles and much more. There are interesting worlds and characters that you have to disail by making a good amount of income. The game's special keys and boards give you extra lives or possibilities in the game when you're about to die, you can use them. You may find the key in hidden places or you can also buy them. The speed of the game will increase from time to time, which makes the game more challenging and interesting. Each time there are new ways of discovering and new tasks to do. In addition, you can connect to Facebook to unlock some characters and coins.
